## PRESIDENT'S MESSAGE

Dear members,

It is a pleasure to welcome you (again for most of you) within the Canadian Association of Pharmacy Students and Interns (CAPSI).

This year, we will present you one (if not two) new competitions that will expand the ever growing number of activities that you can participate in, and a third one is on its way for the year 1999/2000. Your local CAPSI Sr. and Jr. will inform you as soon as we are ready to launch any of these projects. However, for now, you have the possibility to participate in the literary challenge, the interview competition and the compounding competition. Last year, we never had so many participants and I can attest that the local winners had lots of fun at the PDW in Halifax.

Congratulations to CAPSI members from the Faculty of Toronto who almost won all the national prizes and, for this year in Québec City, good luck to all the other faculties. It's time to take your revenge !!!

This year, we gave ourselves the mandate to be more accessible to our members and to give you a better understanding of what we are exactly doing as a national council. This is why we have included our E-mail addresses in the agenda to give you the chance to reach us as fast as possible if you have any questions or comments. Furthermore, we will allow you to join us during one of our meetings at the next PDW, that will be held in Québec City, to observe how CAPSI national is organized and what kind of discussions we have.

As always, we will still represent you and the Canadian pharmacy student community towards the different parties (PEBC, CPhA, CSHP, PMAC...) to offer you the best possible conditions.

Hoping that you find your new agenda useful and looking forward to see you all in Québec City in January 1999.

Yours truly,

*Kévin Boivin*  
CAPSI President
